

Colour 0	transparent - no colour
Colour 1	
Colour 2	

Note this table doesn't appear to print out the colour chart correctly in Firefox or Internet Explorer. Printing out in OpenOffice is fine though.

First line (RS) is RightSide (also known as FrontSide), second line (WS) is WrongSide (also known as BackSide). This is an English pattern (sometimes call right handed), NOT continental (also known as left handed) This pattern starts from the bottom. The first stitch on the first row is the bottom right hand corner of the final knitted material.

Background colour 0 (zero) is special and knitted when foreground-colour is purled and vice-versa.

Key for stitch types:
 knit regular stitch: k
 purl stitch: p

Example:

RS Row 1: colour:2 p72
 this means this is a Right Side row, and purl 72 stitches using colour 2.

Cast on 100 stitches.
